A Boxful of Springtime

Ideal for Christmas Gifts, Bridge Prizes and Special Remembrances **\$1**

Our "**Boxful of Springtime**" contains Daffodil bulbs which have had special treatment to prepare them for winter flowering without the necessity of burying them outside, etc.

Simply plant the bulbs in the peat which is included in each box, using either an ordinary flower pot or a jardiniere without drainage, and place in a cool, light window and water regularly. Growth starts immediately and in about six weeks your reward will be a beautiful pot of Daffodils as perfect as any florist could grow.

Six large bulbs of golden yellow Trumpet Daffodils, postage prepaid east of the Mississippi, \$1.00 per box.
